

ICCU FRESHERS WEEK 2011

Hello all! This is just a short guide to what we have going on at **FRESHERS** Week this year to keep you all in the loop - let's use the last two weeks of summer to be praying for the year ahead and thinking how we can best welcome **FRESHERS** into the CU. It would be great to see as many people as possible involved in Freshers week – what an exciting time!

Out of the Saltshaker Training Day

Saturday 1st October (10am-4pm)

This is happening at All Souls, Langham Place, 10-4pm and is an evangelism training day hosted by UCCF with Rebecca Manley-Pippert. It would be great to have a big Imperial crowd there and catch-up with each other just before term starts. This will be followed by **ReFreshers** (see below) in the evening.

ReFreshers

Saturday 1st October (Evening)

This is a chance for members of the CU to get together and have some fun before the year ahead. It's a good chance to catch up with everyone, so when term starts we can be as welcoming to **FRESHERS** as possible. Time and location to be confirmed – look out for an email.

Freshers Fair

Tuesday 4th October

We will have a stall at the Freshers Fair and we'd love some help if you're free at all that day. We need some friendly faces to tell **FRESHERS** a bit about the CU, and get them signed up on Church Tours, and answer any questions they have. If you can help on the stall (even if it's only for an hour), or can

help with making it look pretty (banners, posters etc.) then we'd love your help – let [James Faux](#) you'd be happy to help. We also have the Chaplaincy meeting room booked all day as a prayer room, so feel free to go down there and pray for freshers and the year ahead whenever you want through the day. We will also go around with questionnaires.

Jazz/Music Night

Wednesday 5th October (7-9pm)

Head down to the electrical engineering café for relaxed evening of music and free food with a short talk about Christianity aimed at both Christians and Non-Christians. There's always a good atmosphere at this event, so let's keep it going! Email [Guy](#) if you can help out!

Lunchbars

Thursday 6th and Friday 7th October (12-1pm)

We will be putting on two lunchbars this week, giving Freshers a free lunch, as well as a chance to think about life's most important questions. It would be great to have as much help as possible to publicise these, as well as having lots of people attending to create a real buzz in the venue. (Venue TBC). [Josh](#) is the man to be in touch with if you can help in any way.
